

The National Academies of Sciences, Engineering, and Medicine

MEASURING COMMUNITY RESILIENCE CONSENSUS STUDY

AGENDA

March 1, 2017

The National Academies of Sciences, Engineering, and Medicine
500 Fifth Street, NW
Conference Room 101
Washington, DC

March 1, 2017

10:00 – 11:30 am

Closed Session

Closed session for internal committee deliberations

11:30 am – 3:00 pm

Open Session

11:30 am – 12:15 pm

Meeting with the Study Sponsor

- *Ms. Chris Elfring, Executive Director, Gulf Research Program, The National Academies of Sciences, Engineering, and Medicine*

- Why is this project important?
- How does this project fit into GRP's goals?
- Who are the primary and secondary audiences for the report?
- How will the GRP use the report?
- Is the report only for the Gulf region or can it be used by others across the nation?
- What kind of outputs are they looking for?

12:15 – 1:15 pm

Working Lunch

1:15pm – 3:00 pm

Panel – How are other resilience programs measuring resilience?

- *Mr. Steve Cauffman, Research Engineer, Community Resilience Program, National Institute of Standards and Technology*
- *Ms. Sandy Eslinger, Senior Research and Policy Analyst, Office for Coastal Management, National Oceanic and Atmospheric Administration*
- *Dr. Carlos Martin, Senior Fellow, Metropolitan Housing and Communities Policy Center, Urban Institute*

- What key lessons have they learned?
- What examples of successful community measures efforts should the committee look at?
- Who has done measures well?

The National Academies of
SCIENCES • ENGINEERING • MEDICINE

- What commonalities are there among the various resilience efforts?
- How does this study deal with different (geographic) scales?

3:00 pm – 5:15pm **Closed Session**

5:15 pm **Adjourn**

March 2, 2017

8:30 am – 2:00 pm **Closed Session**
Closed session for internal committee deliberations

2:00 pm **Adjourn**
