

The National Academies of
SCIENCES • ENGINEERING • MEDICINE

**Workshop on Fostering Children’s Physical, Developmental and Social/Behavioral Health in the
Face of the Opioid Crisis
The Forum for Children’s Well-Being
National Academy of Sciences Building
2101 Constitution Avenue, NW
Room 120
Washington, DC**

June 6, 2019

The Forum on Children’s Well-being hosts this workshop with the following goals:

- To elevate innovative community-based prevention and intervention programs that incorporate multi-sector and multi-generation approaches to promote the well-being of young children and the treatment and recovery of their families impacted by the opioid epidemic.
- To demonstrate new policy approaches at the federal, state, and local levels that address the well-being of children and their families impacted by the opioid epidemic.
- To broaden the conversation and policy setting toward intentional prevention, early intervention, and recovery in light of the nation’s opioid epidemic.
