Roundtable on Data Science Postsecondary Education
Meeting #10 Agenda—March 29, 2019

Improving Coordination between Academia and Industry

The Arnold and Mabel Beckman Center, Huntington Room
100 Academy Dr.
Irvine, CA 92617

Join the Webcast:

https://livestream.com/accounts/15221519/DataScience

MEETING TOPICS:

Discuss common challenges in establishing, maintaining, and evolving partnerships between academia and industry in data science education, including issues related to intellectual property, data sharing, and confidentiality;

Learn about ongoing programs and partnerships at universities and research groups around the U.S.

Upcoming Dates:

June 13, 2019: Roundtable Meeting #11—Data Science in 2-Year Colleges, Online workshop

September 27, 2019: Roundtable Meeting #12—Reflections on the Roundtable, Washington DC.

Friday, March 29   Improving Coordination between Academia and Industry

8:15 AM   Breakfast is available

BEGIN WEBCAST
9:00 AM[1]   Welcome and introduction to the day
                 Eric Kolaczyk, Boston University
                 Kathy McKeown, Columbia University

9:05 AM   Overview of academia-industry partnerships
                 Lise Getoor, University of California, Santa Cruz

9:15 AM   Mechanisms for Engaging and Fostering Industry Partnerships

                 Rebecca Nugent & Adam Causgrove, Carnegie Mellon University
                 Mehran Sahami, Stanford University
                 Mike Franklin, University of Chicago and formerly UC Berkeley AMP lab

10:45 AM   Break

11:00 AM   National Perspectives on Academia-Industry Coordination

                 Ben Zorn, Microsoft and leader of CCC interim report on "Evolving Academia/Industry
                 Relations in Computing Research"
                 Chaitan Baru, University California San Diego
                 Rachel Levy, Mathematical Association of America

12:15 PM   Lunch

1:00 PM   A New Model for Industry-Academic Partnerships
                 Gary King, Harvard University (remote)

1:25 PM   Industry Activities and Experiences from Academic Partnerships
                 Mark Tygert and Mike Willardson, Facebook
                 Mary Ellen Sullivan, Massmutual
                 Peter Norvig, Google
                 Daniel Marcu, Amazon

3:05 PM   Break

3:15 PM   Group discussion of afternoon presentations

END WEBCAST
3:45 PM   Begin breakout group discussions and responses to questionnaire

4:30 PM   Report back of breakout group discussions and closing

4:45 PM   Adjourn meeting
