Electronic Grants

- **Electronic Grants**
 - Implemented FY 08
 - Other than original award document and modifications, AFOSR will no longer maintain hard copy grant files
 - New awards & options of previously digitized awards only at this time (Goal is to have all files digitized by end of FY08 / early FY 09)
 - PIs receive email notification 30 days prior to technical report due date
 - Starting Jan 09:
 - Business offices will also receive this notification
 - Automated invention and fiscal report reminders added
 - Best practice across the AF research community

Electronic Grants

What this means to you...

- Email receipt of grant documents vice snail mail
- Shorter execution time
- Information at grant specialist/grant officer fingertips if business office calls with a question

Hot Topics

- **Research Terms & Conditions (T&Cs)**
 - Effective 1 Jul 08, one set of T&Cs for all domestic research grants, no separate FDP T&C
 - AFOSR still has Agency Specific T&Cs
- **FY 09 Status**
 - Anticipate being under continuing resolution authority for months...
 - Options will be funded before any new awards are executed
