### **June 2000**

Attendees: Sarah Wasserman, U of Illinois; Bill Olbricht, Cornell; Tim Reuter, U of Cincinnati; Diane Gilliland, Texas Agricultural Experiment Station; JoAnn Treat, Texas A&M; Tammy Custer Ordway, Cornell

Introduction of Tammy Custer Ordway as new co-chair of the web committee.

Discussed new look of web site. So far, a majority of the comments back have been positive. Will stay with new look.

All word documents will be converted to PDF and any future documents will be PDF format.

A faculty page will be added. Bill Olbricht will gather up information for that site.

For the time being, Tammy Custer Ordway and Don Denson (other new co-chair) will continue to do the changes/updates to the web site.

Noticed that some pages had phone numbers listed and some did not. It was decided that phone numbers will not be listed on the pages. Tammy and Don will take phone numbers off pages.
