Obama Administration Grants Commitment

- Shine the Light on Federal Grants and Earmarks
 - Consistent, required and auditable grant selection and award processes
- Google for Government (FFATA)
 - Regular and automated FFATA uploads and reports
- Bring Government into the 21st Century
 - Simplified and electronic grantee reporting performance reporting
- Share best practices across the federal government
 - Use best-in-class technologies
- Open Up Government to its Citizens
 - Single face for the applicant and grantee world

Benefits: The COE Partnership provides Public Good Government

- **Transparency**
- **Single-face** at a fraction of the cost to the public
- **Fast response** to Administration policy changes
- **Partnership** – shared technology evolution ideas
- **Agency uniqueness** supported by flexible technology
- **Predictable capped costs**
- **Appropriate financial stewardship & results assessment**
- **Consolidated accurate data reporting** to public
- **Lessened burden**
 - *Security Plan, COOP & disaster recovery, system & financial audits, Exhibit 300's, and compliance with Administration E-gov goals*

“Thank You!”
