

Sustainable Growth and Environmental Stewardship

Linda Fisher

Vice-President SHE and Chief Sustainability Officer

Environmental Stewardship- a Core Value

Managing our businesses in order to ensure we are in compliance with all legal requirements and that we minimize use of raw material, water and energy use while striving towards the goal of zero waste and emissions.

Sustainable Growth- Growth Strategy

Creating Shareholder and Societal Value
 while reducing the environmental footprint
 of **along our value chain.**

Megatrend

Market-Facing Goal
