Direct Jobs through Vendor, Subawards, Subcontracts, Institutional Support

2011_Q3 RESULTS
for
Purdue University

Number of federal science awards:

1,356

Total number of distinct individuals
Supported on payroll through science
awards:

4,335

Number of FTEs supported on payroll
through science awards:

1,496

Number of vendor, sub-award, and
Institutional support jobs supported
through science awards:

536

2011_Q4 RESULTS
for
Peer University X

Number of federal science awards:

2,681

Total number of distinct individuals
Supported on payroll through science
awards:

4,799

Number of FTEs supported on payroll
through science awards:

2,127

Number of vendor, sub-award, and
Institutional support jobs supported
through science awards:

875

Purdue University
