

FDP Communications Committee Meeting
8:00 a.m., Monday, May 14, 2012

Minutes - The minutes from the January meeting were approved.

Brochure – New brochures were ready and available for this meeting. Thanks to all who assisted with this process.

Social Networking – Amanda Lindsay and Robyn Remotigue, along with Claudette Baylor-Fleming did a fabulous job of leading our Twitter attack at the last meeting. While the general response to whether or not Twitter was considered useful for our meetings was lukewarm, we are going to keep it as an option for people to use at this meeting. We'll see if David will do some preliminary tweets about the reception, etc and will ask Susie to announce in the opening plenary that Twittering is still an option and our FDP account is still open.

Website updates – Committee members were encouraged to continue to reach out to their assigned committee contact persons to receive updates from this meeting for the website.

The meeting was adjourned .
