

FORD FOUNDATION FELLOWSHIP PROGRAMS

Administered by the National Academies of Sciences, Engineering, and Medicine

Predocutorial Fellowships

Verification of Doctoral Degree Status Form

To the applicant: Predocutorial fellowship applicants who are already enrolled in a Ph.D. or Sc.D. program as of the fall semester 2017 must submit this completed and signed form along with a one-page (maximum) statement listing the courses, projects, and plans that will be undertaken if awarded a predocutorial fellowship (for academic years 2018-2019, 2019-2020, and 2020-2021). The statement should be double-spaced using a 12-point font, and the applicant's name and "Verification of Eligible Predocutorial Status" must appear at the top of the statement sheet. Applicants should not provide information regarding their financial situation.

Print out this form and submit it along with your one-page statement to your adviser or other university official for signature. Once signed, save the form together with your one-page statement as a single .pdf file and upload it to your fellowship application before the **January 9, 2018** supplementary materials deadline.

Applicant Name _____
last first middle maiden/other suffix

To the adviser or other university official: Eligible applicants for the Ford Foundation Predocutorial Fellowship require a minimum of three years to complete the Ph.D./Sc.D. as of the fall 2018 semester.

By my signature below, I verify that the attached plan of predocutorial study and research toward the Ph.D./Sc.D. degree is an accurate account of what the applicant named above plans to undertake during the academic years 2018-2019, 2019-2020, and 2020-2021. This plan must conform to institutional and departmental standards at my institution. I understand that this fellowship is not intended to be a multi-year dissertation award, and that applicants ruled to be at the dissertation level will be excluded from review.
