

# Office of Naval Research Update September 2013 FDP Meeting

# Office of Naval Research Update

## Sept 2013 FDP Meeting

- Personnel Update
- Admin-Web
- Pay-Web

## Office of Naval Research Update Sept 2013 FDP Meeting

- Rick O'Neil - New Executive Director of Acquisition Management
  - Comes to ONR from the National Reconnaissance Office (June 2013)
  - He served as the Director of Contracts for the Mission Operations Directorate.
  - Led multiple joint contracts teams supporting the INTEL world, the Advance Science and Technology Directorate, and multiple ACAT programs

# Office of Naval Research Update

## Sept 2013 FDP Meeting

- Admin-Web
  - provided as a tool for electronically tracking awards, submitting technical reports, requesting no-funds extensions, and accessing required reports for universities and nonprofit organizations with Office of Naval Research (ONR) administered awards
  - **Access to ONR grants and grant modifications has recently experienced intermittent disruptions**

# Office of Naval Research Update

## Sept 2013 FDP Meeting

- Admin-Web
  - Alternative to accessing ONR grant and grant modifications is DoD's EDA system
- DoD Electronic Document Access (EDA) system.
  - This system provides PDF copies of all ONR contracts and grants in a searchable manner.
  - EDA website: <http://eda.ogden.disa.mil/>
  - Go to "New user Registration" and follow the Step by Step Instruction for a "Vendor"

## Office of Naval Research Update Sept 2013 FDP Meeting

- Pay-Web
  - A point of entry system into DoD's Wide Area Work Flow (WAWF) payment system
- Enhanced functionality of WAWF has made it necessary for ONR to identify alternatives to Payweb
- Alternatives are under review by ONR
- ONR will keep the University & Nonprofit community advised as this process unfolds
