FDP InCommon Update  
January 2014

## Research.gov/InCommon Integration Status

---

- **Research.gov has supported InCommon logins since November 2010**
  - Users are prompted to tie their InCommon login to FastLane account(s)
- **NSF goals: lower support costs, convenience to research community, future integration opportunities with institutions**
- **Since then 53 institutions have *inter-federated* with NSF Research.gov**
  - 30 more in the pipeline
- **InCommon session held last September. We discussed what would be needed to increase usage.**
