PMS Subaccounts – Revised Implementation Timeline FY2015

- **October 1, 2014 – September 30, 2015**
  - **Competing Awards**
    - **New funding will continue to be awarded to P subaccounts**
  - **Type 3 Awards**
    - **Will continue to be awarded to the same type of account as the parent award**
  - **Type 5 Awards**
    - **Will continue to be awarded to the same type of account as the previous budget period**

PMS Subaccounts – Revised Implementation Timeline FY2016

- **October 1, 2015 – September 30, 2016**

  - **Competing Awards**
    - **NIH will continue to award all new funding to subaccounts**
  - **Type 3 Awards**
    - **Beginning October 1, 2015 all type 3 funding will be awarded to subaccounts regardless of parent award account type**
  - **Type 5 Awards**
    - **Beginning October 1, 2015 NIH will use an administrative process to transition all non-competing awards to P subaccounts**

- **September 30, 2016 – All awards transitioned to subaccounts.**

PMS Subaccounts – Implementation Type 5 funding

Beginning October 1, 2015

- **No change in grantee progress report submission**

- **NIH will award type 4s to transition funding to subaccounts**

- **Grantees will submit Subaccount Transitional Federal Financial Reports (FFRs)**

  - **Subaccount Transitional FFRs may include unliquidated obligations**
- **See NOT-OD-14-103 for detailed transition steps**

Upcoming Changes: NIH Implementation of New HHS Closeout Requirements

Closeout reports and 90 day submission requirements remain the same.

Final guidance dependent on HHS implementation of Uniform Guidance.

- **Anticipated changes:**
    - **Shorter timeframe to complete process**
    - **New requirements for NIH to initiate "unilateral" closeout if reports are missing or unacceptable**
    - **New requirements which may result in a debt obligation to the grantee**

    For details see NOT-OD-14-084 and Closeout FAQs 5

Revised Policy re: IDPs

- **IDPs not required, grantees are encouraged to develop as part of training program**

- **Reporting on the use of IDPs required beginning with RPPRs submitted on/after 10/1/2014**
  - o **Grantees must include a report on the use of IDPs in Accomplishments, Question B.4 for all grad students & postdocs reported in Section D. List of Participants.**

- **Do not include the actual IDP; instead report whether or not IDPs are used to help manage the training for these individuals**

More at NOT-OD-14-113

Commons ID

- **[NOT-OD-13-097](#) Commons ID for undergraduate and Graduate Students required with RPPR submissions beginning October 17, 2014**
