	<b>eRA – Grants.gov Shared Workspace</b> <b>Description:</b> Grants.gov will be unveiling a new shared workspace in the October time frame. It will provide an interactive and collaborative environment for applicants working on Adobe application packages. In the new workspace, forms can be downloaded and distributed in a way that allows them to be populated concurrently with shared data. Applicants will also be able to reuse previously entered data by uploading forms that were completed in a prior workspace and using them to complete a new application package. When an opportunity package is changed, existing workspaces will automatically be updated to reflect the change and all Applicant data will be retained. Join Grants.gov for a sneak peak of this new collaborative shared workspace!  <b>Speakers:</b> Ed Calimag, Grants.gov	Congressional A
