Project Description

Please fill out all sections for your proposed PEER project. Note that there are character limit restrictions for each section. The project description should be written so that readers without technical expertise can understand.

a. Project aims and objectives*

Character Limit: 2500

b. Significance of the research as it relates to a particular focus area*

Please refer to the [Focus Area](#) section on our website and the [Country Strategies \(CDCS\)](#) of the focal country(ies) to help you in writing this portion of the application. The development impacts of your proposed PEER research project must be clearly articulated in this section.

Character Limit: 2500

c. Expertise of the USG-supported partner*

Please provide a description of how the expertise of the USG-supported partner will complement the proposed PEER research project.

Character Limit: 1000

d. Other potential partners

Please list other partners with whom the applicant will collaborate on the project (for example: government agencies, USAID Missions, co-PIs, research networks, laboratories, and other implementing partners). Explain the roles and responsibilities as they relate to the proposed PEER project for each institution involved.

Character Limit: 1500

Budget

Please provide the estimated total budget figure for your proposed PEER project. The budget of PEER project budgets vary depending on the proposed research scope and the project duration. Proposed PEER projects may be up to three years (**submissions for the D2FTF focus area may be no more than one year in duration**). Please refer to the [budget template](#) on our website to assist in estimating costs. Typical project budgets fall within the following ranges:

- Single institution: US\$40,000 - \$80,000 per year
- Multiple institutions: US\$80,000 - \$100,000 per year

To qualify for multi-institutional award status, PEER applicants are required to provide financial support to a researcher or research unit at another institution in a PEER-eligible country as part of their proposed project. Applicants who are invited to submit full proposals will be required to specify funds for activities to be implemented by partnering institutions in a separate budget table using the template to be provided.

Appendices

Curriculum vitae (Applicant)*

Please attach the PEER applicant's brief CV, which should be no more than two pages in length. Please use the attached standard format for CVs ([standard PEER CV](#)). The CV should provide citations for **no more than five to ten recent and relevant publications**. If the project includes more than one developing country institution, please also include a CV for the key project participant at each institution. Please do not submit electronic copies of publications or other background materials, as they will not be forwarded to reviewers. All the CVs must be uploaded together in one single file.

*File Size Limit: 3 MB***Letter of support from the USG-supported partner***

A letter of support written by the USG-supported partner explaining his or her intention to collaborate on the proposed PEER project. The letter should also include the partner's USG-funded grant title, number, funding agency, name of program officer and contact information for his or her active USG award. The letter must be written on official institutional letterhead and must be signed by the USG-supported partner.
