

## 35th International Geological Congress (IGC) Students and Early Career Scientists Travel Grant and Mentoring Program

**August 27 – September 4, 2016, Cape Town, South Africa**

The Geological Society of America Foundation, the American Geosciences Institute, and the U.S. National Committee for Geological Sciences announce a travel grant and mentoring program for students and early career scientists (within 7 years of receiving their Ph.D.). To be eligible, applicants must be residents or citizens of the U.S., or be enrolled in or employed at U.S. institutions.

To apply for a travel grant (maximum of \$3,500), please submit the following items by **March 1, 2016** to <https://rock.geosociety.org/IGC/index.asp>:

- Online application/résumé
- Proof of abstract submission and a copy of the submitted abstract
- Record of relevant courses and grades (students only)
- Two letters of recommendation
- Cover letter addressing your reasons for attending the meeting and a prioritized budget of projected expenses
