USAID/Lebanon Strategic Program (CDCS)

Development Objective One: Improved Capacity of the Public Sector in Providing Quality Services across Lebanon

- Quality Education for Vulnerable Students in Lebanese Public Schools
- Improved Availability of Water-related Public Services for Lebanon
- Improved Governance (at the Municipal Level) in Addressing Citizens' Needs in Public Service Delivery
- Strengthened Civil Society Contributing Effectively to Participatory and Democratic Governance

Development Objective Two: Inclusive Economic Growth Enhanced

- Increased Private Sector Competitiveness
- Increased Access to Finance, Especially for Business Start-ups and Women Entrepreneurs

Will my idea or research help USAID, its implementing partners (including other donors) achieve its Development Objectives?
