WE ARE A
SPIRIT
THAT IS NOT AFRAID

THE REASON

Civic agency is a way of life.

We truly believe in building successful leaders for public service careers in public agencies, nonprofit organizations, and the private sector. Our goal is to provide our students with the skills and tools necessary to be effective civic agents.

THE PROGRAM

We believe in education.

We strive to provide personalized courses of study through our various degree options and graduate certificates.

Graduate Certificate in
Election
Administration

Graduate Certificate in
Nonprofits and
Community Governance

5-Year BA/MPA
Accelerated Degree
Program

Dual Master of Public
Administration and
Community Planning Degree
(MPA/MCP)

THE OPPORTUNITIES

We believe in work, hard work.

In addition to our NASPAA accredited curriculum, we offer intensive, hands-on, and varied internship and graduate assistantship opportunities. By integrating the guiding principle of civic agency in and out of the classroom, our graduates are prepared to be effective members of the community—nationally and globally.

We believe in Auburn and love it.
