Reimbursement

- The Academies has transitioned away from the paper-based Travel Expense Report (TER) to a new electronic form for travel reimbursements (e-TER). Login and credential instructions will be emailed to you after the meeting. All tips are reimbursed up to 15%.
- The National Academies of Sciences, Engineering, and Medicine's policy requires that all e-TERs must be submitted within 30 days from the end of travel. Please submit questions to cbaylor@nas.edu

Please Note: Using the Direct Deposit Form will allow you to receive your reimbursement faster than the 15 business days it takes to process a check.

- The option to direct deposit travel reimbursements for qualified attendees is available. Please email Claudette Baylor-Fleming for the form. Completion of the form is required to establish direct deposit payment.
- Please send the completed form to NAS's Controller's Office. They can accept the form via fax to 202-334-1990 or by email to CashManagement@nas.edu.
- **Please note:** once this process has been completed for a traveler, all ensuing travel reimbursement requests will be paid via direct deposit. Also, in order to be reimbursed in this method, this form **MUST** be submitted well in advance of submitting your travel expense report (TER).
- If you have any questions, please contact Kathleen Gregory, Manager of the Office of Payments and Reimbursements (OPR) at 202-334-3499.
- If you have any questions or problems with the form, please contact the NAS's Helpdesk (202-334-3430).
