

ASEB-SSB Symposium on Future on US Civil Space Policy – May 2, 2017

Scope:

- Task Statement See Page 99 in Agenda Book.
- Organizing Cttee: Les Lyles, David Spergel, Fiona Harrison, Alan Epstein, Mark Lewis, Eileen Collins, Jeff Bingham, Mary Lynne Dittmar, and Barbara Sherwood Lollar

Goals:

- Leverage off previous Academies' reports including *2009 America's Future in Space*, *2012 Strategic Directions*, *Decadal Surveys*, etc.
- Prepare an agenda that promotes dialogue among the participants.
- 1-day agenda should be focused on high level strategic issues across civil space to identify priority issues for the attention of government.

Questions:

- What are some of the strategic civil space issues we should consider for the agenda?
- Who are the senior leaders from government and non-government stakeholders we will want on stage and in the audience?
