

Former Space Studies Board Chairs

2016-2018	Fiona Harrison , California Institute of Technology
2014-2016	David N. Spergel , Princeton University and Center for Computational Astrophysics at the Simons Foundation
2008-2014	Charles F. Kennel , Scripps Institution of Oceanography at the University of California, San Diego
2003-2008	Lennard A. Fisk , University of Michigan
2000–2003	John H. McElroy , (deceased) University of Texas at Arlington
1994–2000	Claude R. Canizares , Massachusetts Institute of Technology
1988–1994	Louis J. Lanzerotti , AT&T Bell Laboratories (retired); New Jersey Institute of Technology
1982–1988	Thomas M. Donahue , (deceased) University of Michigan
1976-1982	A.G.W. Cameron , (deceased) Harvard College Observatory
1973–1976	Richard M. Goody , Harvard University
1970–1973	Charles H. Townes , (deceased) University of California at Berkeley
1962–1969	Harry H. Hess , (deceased) Princeton University
1958-1962	Lloyd V. Berkner , (deceased) Graduate Research Center, Dallas, Texas

Former Space Studies Board Vice Chairs

2014-2018	Robert D. Braun , University of Colorado Boulder
2010-2014	John Klineberg , Space Systems/Loral (retired)
2006-2010	A. Thomas Young , Lockheed Martin Corporation (retired)
2000–2006	George A. Paulikas , The Aerospace Corporation (retired)

Executive Committee

The Space Studies Board's Executive Committee (XCOM) is a subset of the full Board, and acts on the Board's behalf between its regular meetings. The XCOM assists the chair with strategic planning, consults on Board and committee membership, and develops agendas for Board meetings. The XCOM usually meets, separate from the full Board, in late summer.

2019 Members

Margaret Kivelson, *Chair*, University of California, Los Angeles
James H. Crocker, Lockheed Martin Space Systems Company (retired)
Jeff M. Bingham, Consultant
Mary Lynne Dittmar, Dittmar Associates
Joseph Fuller Jr., Futron Corporation (retired)
Sarah Gibson, National Center for Atmospheric Research
Chryssa Kouveliotou, The George Washington University
Rosaly M. Lopes, Jet Propulsion Laboratory
Mark H. Thiemens, University of California, San Diego

Ex-Officio Members

Alan Epstein Pratt & Whitney (Chair, ASEB)	Athena Coustenis National Centre for Scientific Research (CNRS) of France (Chair, ESSC)
