

Fostering Interdisciplinary Research at Northwestern University

Henry Bienen, President Emeritus,
Northwestern University

NORTHWESTERN
UNIVERSITY

Overview

1. Introduction of self. Political scientist who had multiple regional interests and had worked in different subject areas and usually with economists. Princeton experience as Center of International Studies Director and Dean of Woodrow Wilson School.
2. Arrival at Northwestern: What I found and my own predilections.

Overview (cont.)

3. What I learned and what I was taught.
4. The Life Sciences and Nano Sciences
5. Centers and Institutes
6. Beyond Northwestern
 - Argonne National Laboratory
 - The Chicago Biomedical Consortium
7. Success builds on itself
8. Not everything was or is a success.
