The FBPTA

Core Competencies for Federal Facilities Asset Management through 2020

Transformational Strategies

OUTSTANDING STUDY!

• Great starting point
• Replicable process
• Findings identified significant risks
• Recommendations identified clear opportunities
The FBPTA

- **Focuses on Facilities Asset Manager**
- **We have many more job categories...**
  - Building Operators
  - Electricians
  - Energy Managers
  - Plumbers
  - Sustainability Directors
  - Etc...

- **Also some specialized core competencies**
  - VA – plumbers
  - EPA wet labs, DHS bio hazard 4 Labs
  - State Department
  - Camp David
The FBPTA

• Facilities Asset Manager
• Inherently Governmental

GAO – Government-wide High Risk Areas:
• Fed Real Property
• Human Capital

Findings: Realities and Risks
• Lack of investment in Infrastructure – going to get worse
• Looming mass exodus – retirements
• Hiring freeze, pay freeze, federal workers as scapegoats
• Trouble recruiting new Facilities Asset Managers
Perfect Storm!

For Transformation!

A NEW PARADIGM!

“Work is a verb – not a NOUN”

In adapting to the requirements of a new generation of worker: mobility, connectivity, social networking, multi-tasking…

We change the way our facilities are configured, thereby shrinking our need for facilities…
In doing so...

- We create an attractive and empowering workplace...
- We reduce the COST of the Federal Gov...
- We increase our resiliency and decrease our vulnerability to weather, natural or man made disasters...
- We reduce our GHG emissions and our use of resources...
Thus, we are starting our curriculum development with…

The Facilities Asset Manager and the associated Career Path. (Inherently Gov/Manages Ktr)

Core Competency recommendations:
• Skills base – Technical, Business, Behavioral, with Enterprise Knowledge.
• Areas of Expertise – Integrating, Aligning, Innovating.
• Tele-working, IT savvy, knowledge management, distributed teams, Strategic/Tactical/Operational, LCA literate, Appropriate Measures of Performance – Performance and Deliverable driven.
The FBPTA

Synergize existing DOE Project
“Standardizing the Workforce to Enhance Energy Efficiency in Commercial Buildings”

Core Competency Development

- Job Task Analysis (JTA) and Knowledge, Skills and Abilities (KSAs) for 6 categories of work.
  1. Energy Modeler
  2. Energy Auditor
  3. Commissioning/Retro Commissioning
  4. Energy Manager/Sustainability Manager
  5. Building Operator/Engineer
