Meeting of the Roundtable on Science and Technology for Sustainability

May 16-17, 2006

**Keck Center of the National Academies
500 Fifth Street, NW
Washington, DC 20001**

Meeting Objectives: Introduce new members to the Roundtable; discuss and refine a strategic vision for the Roundtable; discuss and inform plans for ongoing activities and potential future Roundtable activities; and plan for the Roundtable's late summer meeting.

Tuesday, May 16

Keck Center Room 1024

6:00 pm Reception on the patio

6:30 pm Dinner

Wednesday, May 17

Keck Center Room 201

8:00 am **Breakfast available in meeting room**

8:30 am **Welcome and Meeting Goals** (Jim Mahoney, Pam Matson)

8:45 am **Roundtable History, Accomplishments, and Vision for the Future** (Pam Matson, Jim Mahoney)

- Goals for sustainable development and challenge to the S&T community
- History of Roundtable and accomplishments
- Vision for the future of the Roundtable

9:45 am **Break**

10:00 am **Member Introductions and Discussion of Roundtable Vision** (Jim Mahoney, Pam Matson)

Each Roundtable member will be asked to introduce him/herself briefly and to reflect on the vision for the Roundtable presented by the co-chairs. Members are asked to say a few words about what they (and their sector) most need/want from the Roundtable over the next 2-3 years and what they would recommend be the practical goals of the Roundtable over this time period.

12:00 pm	Lunch <i>[with continued discussions among members]</i>
1:00 pm	Update on Upcoming Workshop, “Rebuilding for Health, Sustainability, and Disaster Preparedness in the Gulf Coast Region” (Leslie Carothers)
1:10 pm	Ongoing Activities <i>Each presenter will provide a brief overview of the activity and future plans.
