1. Prior approval is required if rebudgeting could result in a change in the scope of work, a change in a key person, the absence for more than three months or reduction of 25% or more in effort of PI, the need for additional funding, or to transfer funds from indirect costs to absorb increases in direct costs or vice versa.
2. Prior approval is required for carryover of unobligated balances on all P grants except P01's, cooperative agreements (U's), R43's, R41's, and NRSA's (T's and F's).
3. Prior written approval is required to rebudget for foreign travel not identified in original approved budget.
4. Prior approval required for the purchase of equipment costing \$5,000 or more not identified and approved in the original budget.
5. Prior written approval of Grants Officer is required to extend period of performance. ORPA is required to notify Grants Officer in writing with appropriate justification at least 30 days prior to expiration of grant. (This appears to be a pro forma approval.)
6. Prior approval is required for modifying the amount of cost-sharing indicated on Line M of approved budget or for rebudgeting of participant/trainee support costs.
7. Prior approval for an extension or carry forward is required if the funds obligated to the award are restricted year funds (e.g. one year money).
