

The Case for International Sharing of Scientific Data: A Focus on Developing Countries

An International Symposium

Haswira Nor Mohamad Hashim

Haswira Nor Mohamad Hashim is a PhD Candidate at the Queensland University of Technology (QUT) Faculty of Law, Brisbane, Australia. He holds a Bachelor and a Masters of Law degrees and is a legal academic at MARA University of Technology, Shah Alam, in his native country, Malaysia. Since 2010, Haswira has worked on his doctoral research project under the supervision of Professors Anne Fitzgerald and Brian Fitzgerald at QUT. His doctoral research is examining the policy framework supporting open access to and re-use of publicly funded research data and information in Malaysian public universities.
