

The EURAXESS – Researchers in Motion initiative

Simon Grimley
PEER Conference
Bangkok, Thailand
October 4, 2013

1

What is EURAXESS?

EURAXESS is an ERA key initiative to promote research careers and facilitate the mobility of researchers to and from Europe.

EURAXESS: European Union & 40 countries in Europe working together to assist researchers and research organisations!

Information about jobs & funding opportunities

Personalised assistance to researchers & their families through a network of > 500 people in **40** countries

Information about rights and obligations of researchers, their employers and funders, including entry conditions, and pensions of researchers

The international arm of EURAXESS – China, Japan, US, India, Brazil & **ASEAN**

- ~ 7,700 research organisations (companies, universities and SMEs across Europe and beyond) registered on EURAXESS with access to
- ~ 21,000 active CVs of researchers who uploaded their CV to the attention of potential employers;
- > 66,000 researcher accounts created so far;
- Vast array of research fields covered
- High visibility to EU funding programmes for researchers (MCA, ERC)
- 2010: ~7,500 job adverts; 2011: ~ 31,000; **2012: > 36,500!**

Collaborations with universities, research labs, relevant national/international job platforms and job boards: Naturejobs (Intl), Focus Research (BE), Galaxie (FR), Euro*jobsciences (BE), INRA (FR), CINECA (IT), AcademicTransfer (NL), UniversityPositions (SE), Miclusterjobs (GR), Academic Positions (SE), Pharmajobs (GE), Qreer (NL), more in the pipeline...

euraxess

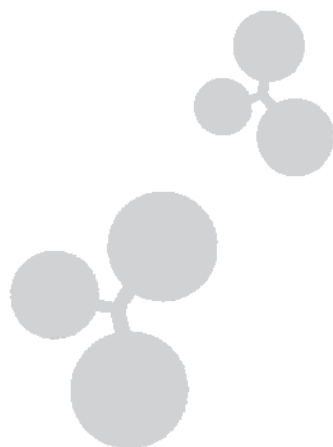

SERVICES

- A network of > 500 people working in > 200 offices across Europe (40 countries) providing researchers & their family with personalised assistance and welcoming them in the new host country;
- ~ 500,000 queries in 4 yrs period;
- Top ranking queries: funding opportunities; entry conditions, accommodation;
- «New entries» 2011: pensions of researchers & medical care

euraxess

RIGHTS

Everything researchers, their employers and funders should know about researchers' rights and obligations!

~ 455 individual endorsements of the Charter & Code principles:

They represent ~ 1,200 research institutions and funders from 35 countries in Europe (MS and AC) + 1 beyond (i.e. RU) + various International European Interest Organisations (e.g. CERN).

The **'Human Resources Excellence in Research' badge** is awarded to institutions that have made significant progress in implementing the Charter & Code (so far 128 institutions from 21 countries have been awarded, and more are in the pipeline).

The badge is displayed on adverts they publish on EURAXESS Jobs!

HR EXCELLENCE IN RESEARCH

What is EURAXESS *LINKS*?

EURAXESS LINKS is the international arm of EURAXESS

EURAXESS LINKS seeks to promote research cooperation AND facilitate the mobility of researchers between Europe and the world (brain circulation)

EURAXESS LINKS has offices in China, Japan, India, North America, Brazil, and **ASEAN** (Jan 2013)

EURAXESS Links ASEAN- Objectives

- To facilitate **interregional mobility, cooperation and dialogue** in research, science and technology
- To extend the **EURAXESS Links network** to ASEAN partners
- To **increase the presence of ASEAN universities, research institutes, and companies** in the EURAXESS network
- To raise the **profile of the EU** as a global player in research, science and technology
- To provide researchers with access to **mobility and research funding schemes** in the EU and ASEAN

➤ **Information**

- Website
- Monthly newsletter

➤ **Events**

- EURAXESS Slam (September 25, 2013)
- ASEAN-EU STI Days (January 21-23, 2014)

➤ **Networking**

➤ **Jobs and funding opportunities**

- Career Fair
- Launch of Horizon 2020

Update on ASEAN and the EU Seventh Framework Program for Research and Technological Development (FP7)

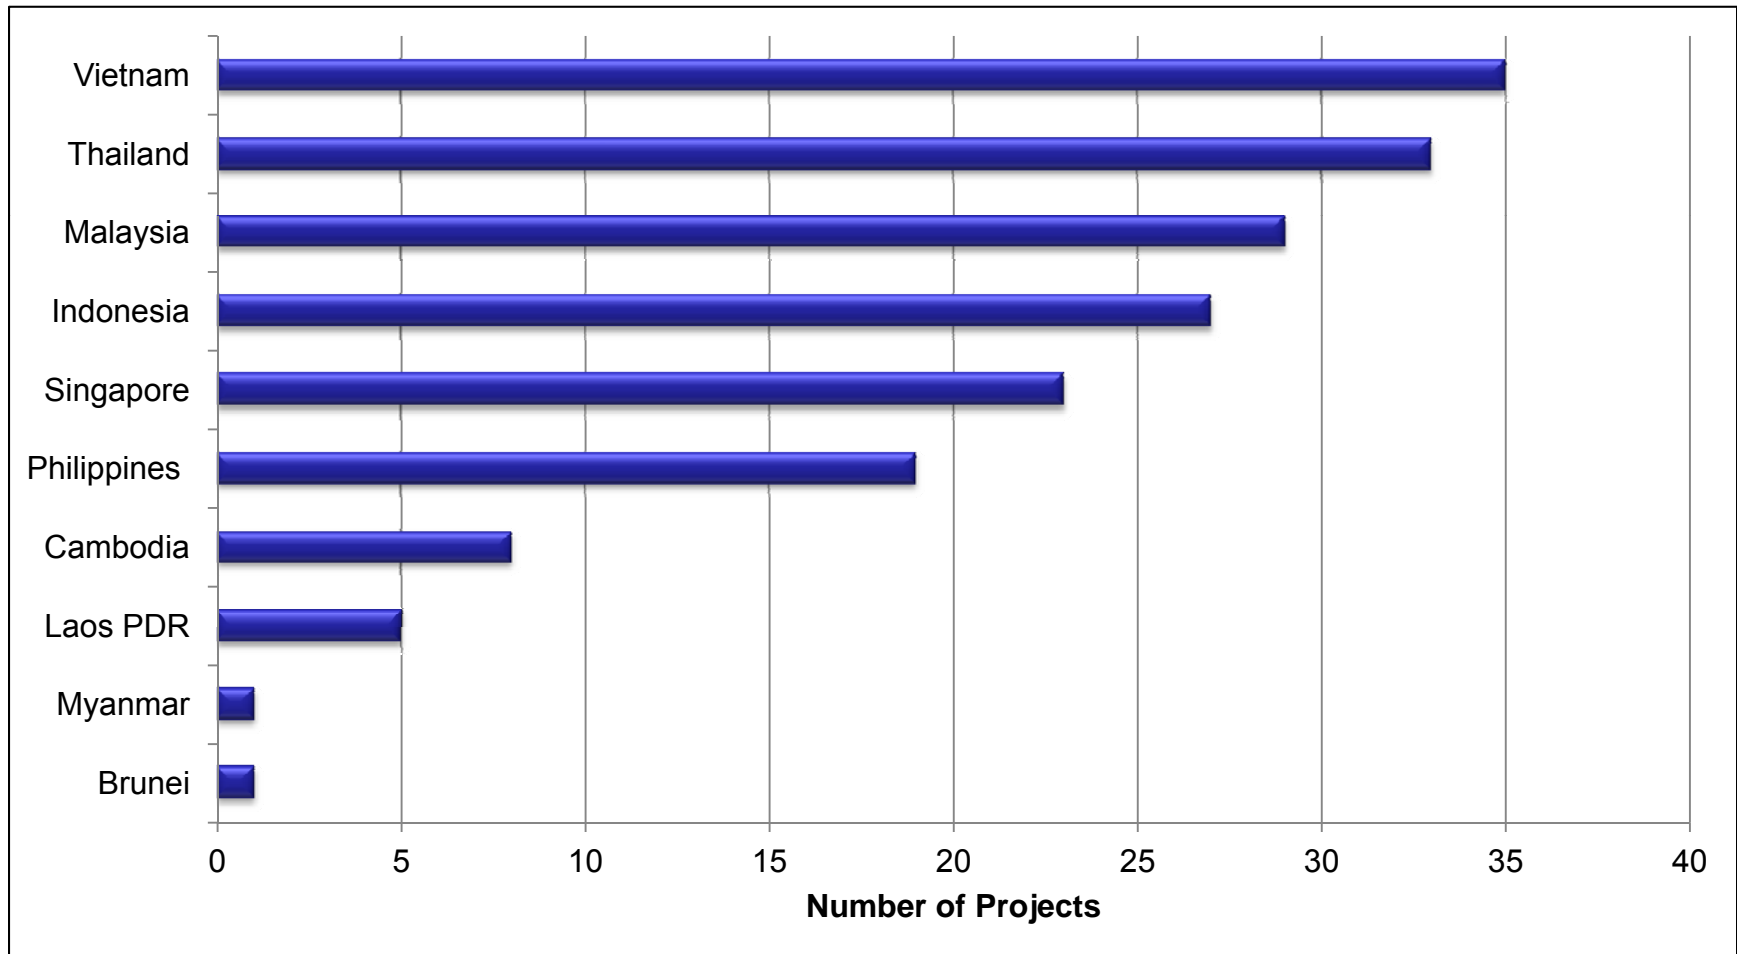

What is FP7?

- Main European Union (EU) mechanism to fund research
- 50 billion euros (2007 – 2013)
- Very broad support to R&D
 - applied & basic research
 - Researcher mobility
 - Research infrastructure
- Calls for Proposals – bulk of FP7 is “top-down”
- Highly competitive - scientific excellence - no national quota
- All calls open to participation by researchers from around the world
- Last Calls of FP7 announced July 2013

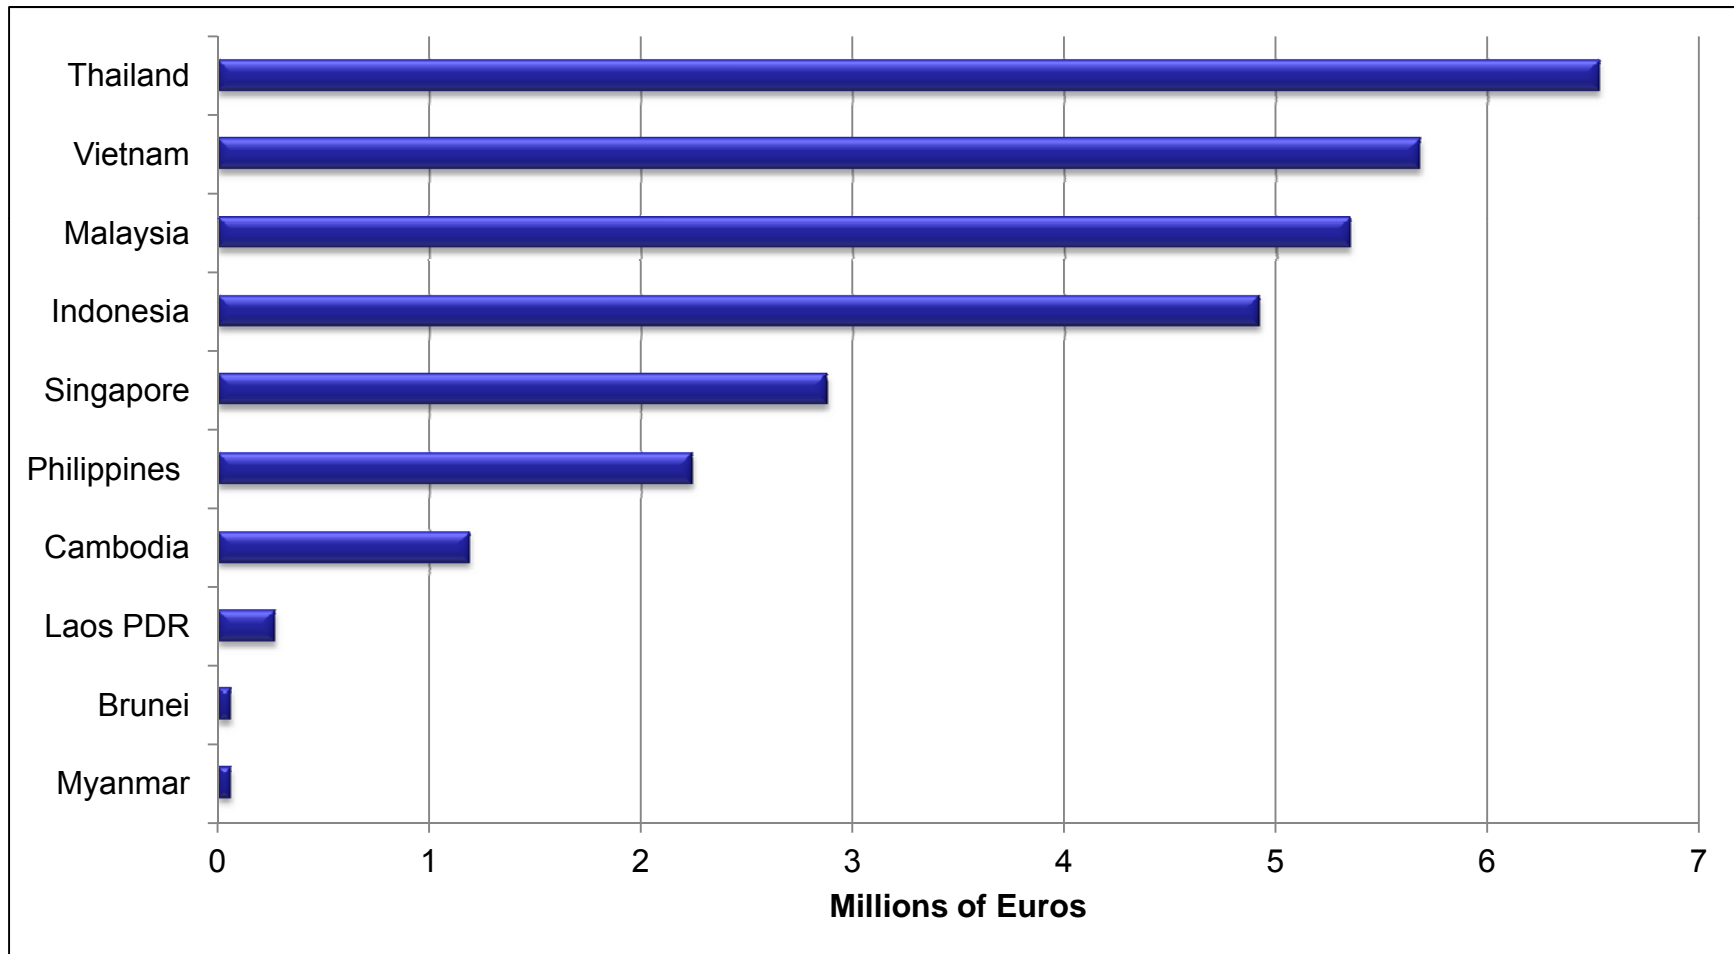

ASEAN and the EU FP7 Program

Number of FP7 Funded Projects in ASEAN

ASEAN and the EU FP7 Program

EU FP7 Funding to ASEAN

Launch December 2013

5 Reasons to Join the EURAXESS network

1. Stay up-to-date on research developments, research events and funding opportunities in Europe and the EURAXESS Links countries
2. Network with European and international researchers and find research partners for your research projects
3. Plan your next career move or recruit the best talent with the EURAXESS Jobs portal
4. Get personalised assistance when relocating to Europe, or disseminate information about opportunities in your institution to the EURAXESS community through EURAXESS Services
5. Become part of the future global support, career development and networking tool for the international research community.

How to Join the EURAXESS Links ASEAN Network

- The network is **open to all researchers** (European or non-European) at all stage of their careers
- The network is open to **universities, research institutes, and companies**
- **Membership is free** – there are more than 10,000 members in the EURAXESS Links international network (ASEAN, China, Japan, India, US, Brazil)
- Register on the site: asean@euraxess.org or by sending an e-mail to simon.grimley@euraxess.net

asean.euraxess.org
