The Science of Effective Mentoring in STEMM

Public Agenda for the First Committee Meeting

University of Wisconsin—Madison
Health Sciences Learning Center 2216
Madison, WI 53792

December 19-20, 2017

Meeting Goals:

- To frame the project in the grater ecosystem of the work of the National Academies and others and the visions of the Sponsors.
- To become familiar with each other, the committee process, the Statement of Task for this project, and the goals of this study.
- To determine working groups and potential topics for the three workshops that will be hosted by the committee during the course of the project.
