Odekro PMO

Our work,
Our impact

in making Parliament transparent and accountable; and promoting good governance

Odekro PMO

Our Vision

To inform and empower Ghanaians on the work of Parliament and other institutions of Parliament, through open data analysis.

Our Mission

To promote engagement, transparency and strengthen citizen action by providing access to public records on the work of elected officials, particularly Parliamentarians.

Our
Core work

Digitizing
hardcopies of the Hansard using OCR technology;

Periodic
reports on MPs' attendance rates, interventions on the floor of Parliament and contributions to debates;

Mining
and evaluation of bills and debates on the floor of Parliament along key sectoral themes which include water and sanitation, health, education, energy, transportation, agriculture and anti-corruption;
Production
of unique, high quality and fact-based content.

Strategic **priorities**

empower
individual citizens and civil society with data to hold duty bearers accountable.

connect
different sources of citizen action.

facilitate
Better citizen participation and a vibrant tech space.

content
Through production of reports and articles illustrated with infographics on website and social media platforms.
