

Gilliam Fellowship

Sonia Zárate, PhD

Program Officer

Howard Hughes Medical Institute (HHMI)

President

Society for the Advancement of Chicanos/Hispanics
and Native Americans in Science (SACNAS)

A Different Way to Think About It

- Nomination Process
- Application Process
- Review Process
- Programming

Nomination

Nomination of Adviser-Student Pairs:

To better understand the institution's efforts to create an environment that supports doctoral science students, especially those from populations underrepresented in Science.

hhmi.org/gilliam

gilliam@hhmi.org

Application

Adviser Application

To learn about how the adviser will support the student applicant and other doctoral students in their academic and career trajectory.

Student Application

To get a sense of the student's enthusiasm for academic science and their potential for leadership in science.

hhmi.org/gilliam

gilliam@hhmi.org

Review

Science Leadership Potential

- Student application materials

Environment

- Nominator and Adviser materials

Science Leadership Potential + Environment

- Student application materials + Nominator and Adviser materials

Gilliam Mentor Training

134 MENTORS TRAINED
SINCE 2016

30 HOURS OF CULTURALLY
RESPONSIVE MENTOR
TRAINING

Building inclusive environments for students
in science by working with faculty to:

Become aware of
their own cultural
identities

Understand the
critical role of
listening

Feel comfortable
engaging across
cultures
