

The National Academies  
Consent Form  
**Presentation Materials by Third Parties  
(Not Agents of the Institution)**

As a participant at an activity of the National Academy of Sciences' (NAS's) Committee to Review Near-Earth Object Surveys and Hazard Mitigation Strategies, I hereby grant a nonexclusive,<sup>1</sup> no-cost, worldwide, transferable, irrevocable license authorizing NAS and others acting on its behalf, to publish, use, duplicate, disclose, exhibit, and display my materials presented at the Meeting, including without limitation any audio recordings, transcriptions, vu-graphs, slides, and other presentation materials ("Presentation Materials"). I understand and agree that the foregoing Presentation Materials may be edited and used by NAS or its agents in whole or in part for the following purposes:

I give permission for the following purposes:

- Reproduction in print publications
- Electronic distribution via the Web, CDROM, or other electronic media
- Broadcast via audio and video recording
- Foreign translations, promotion, and publicity.

I am authorized to provide the license granted herein, and I confirm that (1) the Presentation Materials are original to me, and do not contain any material that would violate the copyrights, trademarks, or any other property rights of others, and (2) that I have obtained sufficient rights with respect to any third-party materials included in the Presentation Materials to provide the license herein.
